The screenshot shows a web browser window with the URL <https://next.impairmentcare.app/patient/7/visit/7/admission/7/edition/3/chapter/3/1/calculator>. The application header includes navigation links: ImpairmentCare, Search Patients, Add Patient, Chapter, Calculator (highlighted in yellow), Completed, Settings, and Jason Nill. Below the header, there is a breadcrumb '< Form' and the patient name 'Patient: Jason Nill'. A summary line states 'Whole Person Impairment due to Upper Extremity: 46'. A dropdown menu is open over the 'Calculator' button, showing three options: 'Chapter Section Impairment', 'Whole Person Impairment', and 'Report' (highlighted in green). Below the menu, there are three tables: 'Digit Impairment (Left)', 'Digit Impairment (Right)', and 'Upper Extremity Impairment (Left)'. A fourth table, 'Upper Extremity Impairment (Right)', is partially visible below the others. The footer contains the copyright notice '© Cedaron 2023-2024'.
